I welcome Dr. Ken Guest to our club. I know that you will enjoy getting to know Ken, his interesting background, and his commitment to dental health and the Salina community. Spring into April by returning to Rotary! Let Ken inspire you to bring a guest too! — Brenda O’Gorman, Membership Chair

A native of Coffeyville, Kansas, and the oldest of four brothers, Dr. Guest graduated from the University of Kansas in 1970 with a degree in Chemistry. He married Susan Leckband of Salina, then served four years as a U.S. Naval officer aboard two aircraft carriers. After service in the Navy, he attended the UMKC School of Dentistry, graduating in 1978.

In June 1978, Dr. Guest opened his dental practice in Salina. He is now retired but worked for many years with his daughter, Dr. Kathryn Gross and her husband, Dr. Guy Gross. He especially enjoyed orthodontics and treating sleep apnea.

Dr. Guest’s community involvement has included the American Cancer Society, YMCA

NOON ROTARY TABLE PRAYER
Be present at our table Lord
Be here as everywhere adored
These mercies bless and grant that we
May feast eternally with Thee. AMEN

Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better fellowships?
Will it be beneficial to all concerned?

President’s Message

Happy April, Rotarians!

Spring has officially sprung! The birds are chirping and noses are sneezing. This Friday at PETS, Jennifer Jones, president elect of Rotary International, will be speaking. She will become the first female Rotary International President. It’s amazing to me that women have only been allowed in our wonderful organization since 1987. That’s only 8 short years before I was born.

I am so excited for her to take on this role, not because she is a woman, but because she is the right person for the job.

Cheers to the positive changes we have made in Rotary,
Jenell B. Hulse

together a successful GoFundMe campaign to insure Salina’s July 4th Skyfire 2020 would continue despite the pandemic.

Dr. Guest enjoys his six grandchildren, exercising at the YMCA and playing pickleball. He has been active in buying and researching cryptocurrencies and digital assets for over four years. He and Susie like to travel and he enjoys working with audio and video equipment and computers. He is always looking for new challenges and opportunities to learn.
